

Music fades in slowly below the dialogue-eerie. Slowly, more modern elements are added in. We are in an echoing church-like space.

VOICE: Sing of joy and sing of grace!
Welcome to our warm embrace!
We name you now our kith and kin!
And invite you to our fires within!
Should you ever tire of labor,
The Delphic Order is your neighbor!
Should your hope be at its end,
The Delphic Order is your friend!

CHESTER: Should you be weighed by despair,
The Delphic Order gives you care!

BOTH: Feel no sorrow, feel no fear!
The Delphic Order's always here!

MANY: Let our hearts show true goodwill!
Let our light shine brighter still!
When you might feel cold and lost,
We'll protect you from the frost!

CHESTER/RUDY: Sing of joy and sing of grace,

RUDY: Welcome to our warm embrace.

Striking notes, echoing into the dark.
